Discuss Gandhi's views on Swaraj.

Mohandas Karam Chand Gandhi was the greatest leader of the Indian independence movement in British ruled India. By Swaraj he meant freedom and self-rule which should be practiced at three levels.

1. In case of individual at three levels.
2. In case of the country, it is the freedom India from the British clutch, and.
3. In case of community level, it is to gain Swaraj or freedom of village.

* Individual Swaraj:

Gandhiji championed the cause of individual freedom. In his words Swaraj really means self control only he is capable of self control. Observes the rules of morality, does not cheat or give up truth, and does his duty to his parent, wife and children, servants, and neighbours. Such a man is on enjoyment of Swaraj. A state enjoys Swaraj if it can bear of a large.

* Swaraj for the Nation [India]

Gandhi was a staunch nationalist. He wanted to free India from the clutches of the Britishers. The idea of Swaraj for the nation included the following things.

* Opposition to imperialism:

Gandhi was ~~was~~ against colonial hegemony by and large. He wanted to obtain freedom from the clutches of the Britishers giving a clarion call "Do or Die".

* Advocacy of swadeshi:

Gandhi told that in today's mind and spirit one should be swadeshi. He advised to give up foreign goods and adopt country-made goods. In his words, swadeshi teaches us that being born in it and having inherited claim to my service.

* Home Rule: Gandhi advocated home rule, he rejected the idea of prayer and petition of the moderates and emphasized the need of that hour has self rule or home rule. A home rule can better tackle the situation, whatever chaotic it may be.

* Parliamentary swaraj:

Out and out Gandhi was a democrat. He wanted to free India from the clutches of western democracy, it was only because that democracy is full of violence and it resorts to coercive methods to maintain law and order. He wanted a state where an individual will see.

* Gram-Swaraj:

Gram swaraj is the third category of swaraj Gandhi envisaged. He really wanted swaraj or self-rule. Gandhiji observed, "I therefore want freedom immediately, this very night before dawn if it can be had. This he opposed imperialism tooth and nail.

of Swadesh:
Gandhiji told that in body, Mind and spirit one should be swadesh. He advised to give up foreign goods and adopt country. Made goods in this world. "Swadesh teach use that being born in it and having inherited-heri culture, I am fittest to serve."

2. Discuss Mahatma Gandhi's view on Satya Graha:

Gandhi calls Satya Graha a force of love or truth force. It is a unique technique of resistance it is a novel Political weapon of protest. Satya Graha fighty enil with love. A Satya Graha fighty enil with love. A Satyagraha convert the enemy through self torture. It gives impotance not to physical. But to spistual face. There is no place for untruth or deception here. It is a weapon of the strong Gandhi Practised it first in south africa.

* Techniques:

The following are the techniques of Satya Graha.

- Non-co-operation
- Civil Disobedience
- Harital
- fasting.
- Strike.

A. Non-co-operation: A dictator we know, is a strong man. But where do this strength lie? It lies in the co-operation given by the people to this tyrannicity. If the people refuse to co-operative with him, his co-operation asuccess, Gandhi advocated the following method.

(i) Hartal: It means stoppage of all commercial activity but that stoppage should be voluntary. It should not be repeated again and again.

(ii) Social Boycott: Those who do not co-operate in hartal should be socially boycotted.

(iii) Picketing: It is not a dharna. There is no place for coercion, burning of effigies etc. It not to cause of shame the non-co operative.

(b) Civil Disobedience: Gandhi calls it a bloodless substitute of armed. calls it satyagrah. This is the final and the drastic form the satyagraha. It is not really civil disobedience but to be civil. It must be sincere, respect full and without any hatred every case should be taken against the outbreak of violence.

C. Hijarat: It means voluntary exile. Those who are unable to defend themselves without violence are advised hijarat. satyagraha is of Baraboli (1928) and of Tarapur (1938) were, advise hijarat.

D. Fasting: It simply means non-taking of food. But Gandhi made it a very potent and powerful weapon.

6. Strike:

Gandhi had no belief in class struggle. He said that the capitalists and the workers are the trusted, of the industries. So, workers should rebel against.

Injustice, inefficient and corruption.
