

SRI DNR GDC(W)-PALAKOL

6.2.1 The Institutional Strategic/Perspective Plan is effectively deployed.

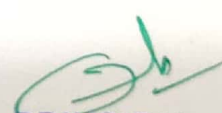

Every year perspective plans are evolved and deployed through the College departmental activity plan which include academic and administrative activities. Staff council and IQAC periodical meetings review the outcomes of the implementation of plan. The perspective plan comprises the following :

- To improve academic, teaching and learning and evaluation system
- To improve Student centrist activities
- To enhance social relevance of the institution
- To identify the needs and mobilization of funds.
- To empower the students through guidance, training and support services by all departments.
- To enhance employable skills in competing global competition through Jawahar Knowledge Center.
- To improve infrastructure facilities by tapping funds from available sources
- To reduce paper using by adopting automation process in administration, admissions, attendance etc.,

Keeping in view of the Goals departments prepare their departmental strategic plans. To facilitate the process the members of the departments visit premier institution and identify best practices, measures that can be adopted in our institution.

The institution promotes the culture of participative management by involving all the staff members. Staff Council and sister associations involve in decisions of all the activities of the institution. As a Head of the Institution the Principal monitors the day to day activities and implementation of the plans approved by the Staff council and IQAC. The Student Class counsellor system is adopted to develop cordial relations between student and teacher about their academic performance and other issues.
