Debate on UKRAINE AND RUSSIA WAR

Date:22.03.2022

Objective: By participating in “Debate”, students can generate effective critical thinking into primary issues in

the given topics. They can improve their thinking skills, communication skills through the Debate.

Description: In this debate 1st and 2nd year Bsc students have participated. They share their opinions and ideas about Russia and Ukraine war. They felt very sad about the explosions of RUSSIA towards UKRAINE. One group means 1st year students supported Ukraine and second group supported Russia. First year students tried to convince the 2nd group with one word "Peace". They said that we can put the full stop to the war with peace only. So many people of Ukraine army have died only because of explosion by Russia and 2nd group gave the conclusion for the debate that they agreed Russia has
