

Activity

Rythu Bharosa Kendram

Date:23.12.21

Participants:All BA students

Objective: The Rythu Bharosa scheme aims to empower the farmers of the state of Andhra Pradesh with financial assistance to improve their agricultural practices and enhance their life style while also providing life insurance coverage for their families and educational assistance for their dependent children.

Description: our students visited vadlavanipalem Rythu Bharosa Kendram. From this our students know how the government is providing financial assistance to the farmer families, including tenant farmers across the state.

Outcome: students knowing that this scheme provide financial support to the cultivators. For meeting their investments during the crop season.
