They will also have the support of their teacher and parents as they are navigating through these experiences, which often isn't available after they leave the college.

## Objective :-

3. Become aware of concepts that may not be touched upon in their curriculum.
4. Promote curiosity and inquisitiveness.

## OUTCOMES:-

1. They will learn about other activities.
2. They are able to participate in extra curriculum activities.
3. They will learn about Democracy, UNO and Nana jaati samiti importance.
4. They will learn about our services at other country service.
