

**SRI DNR GOVERNMENT DEGREE COLLEGE FOR WOMEN,
PALAKOL**

Department of Zoology
(An insight into commonness of life)

Introduction

The new course B.Sc with B.Z.C group has been sanctioned and started from the academic year 2009-10 with a contract lecturer. Zoology practical were carried in the neighbouring Govt.Degree College. He also made efforts to procure science equipment and ordered material for laboratory. At present the department has enough laboratory equipment for conducting the practicals.

Objectives:

1. Zoology-an insight into commonness of life
2. To impart personality development by applying Zoological observation to human relations
3. To train expert teachers of future generation
4. To make awareness students on human disease specially on Heart Attacks, Diabetes etc in order they should help in need.
